

ABOUT SPACC

June 26-July 1, 2023

St. Thomas Playhouse @ Camp Perkins

SPACC (Summer Performing Arts Conservatory Camp) is a residential camp with a conservatory model. This means young artists focus on process not performance. Young artists are encouraged to take artistic risks and are asked to explore new ideas, methods, and practices. The instructors meet each artist where they are in their artistic development.

SPACC is held at Camp Perkins on Lake Perkins near Alturas Lake in the Sawtooth Mountains. It is a perfect setting for us focus our energy away from the distractions of technology and our everyday lives.

Guest Artists come from around the country share their knowledge, insight, and passion for the performing arts in a classroom setting.
